

DIY Home Water Audit

H₂ome smart

My water saving list of actions (to do)

WATER SAVING ACTION	WATER SAVING (BUCKETS PER PERSON PER DAY)	WHO	BY WHEN
e.g. cut the sprinkler* runs by 2 minutes	2 buckets	Dad	Spring-1 Oct

* Based on fixed spray pop-up sprinkler. For other types, please visit www.watercorporation.com.au

Tips and Ideas

Make these water savings a daily habit:

- Cut shower time from 7 to 4 minutes and save 3 buckets per person per day
- Turn tap off when brushing teeth and save 1 bucket per person per day
- Use washing machine in full loads and save 1 bucket per person per day
- Upgrade toilets and showerheads and save up to 5 buckets per person per day

All estimated savings are approximated and may vary from household to household
